S.Y. Harmon Publications Organized by Year

This document presents the publications authored and co-authored by Scott Young Harmon in the reverse order of their publication date starting with the youngest to the least recent. The citation numbers in this document define a stable yet extensible numbering scheme that the website and resumes use in their citations of the publications in this list.

2008

[109] Harmon, S.Y. and Youngblood, Simone, "Evolving the Validation Process Maturity Model (VPMM)," Paper # 08E-SIW-057, Proc. 2008 SISO/SCS International Simulation Multi-Conference, Edinburgh, Scotland, 16-19 June 2008, p39. < at http://dl.acm.org/citation.cfm?id=2367695 >

[108] Harmon, S.Y. & Youngblood, Simone, "Lessons Learned about Developing Acceptable Acceptability Criteria," Paper # 08E-SIW-056, Proc. SISO/SCS 2008 International Simulation Multi-Conference, Edinburgh, Scotland, 16-19 June 2008, p38. < at https://www.researchgate.net/publication/262286713_ Lessons_learned_ about_developing_acceptable_acceptability_criteria >

[107] Harmon, S.Y. & Youngblood, Simone, "Decomposing the VV&A Processes to Support Their Tailoring," Paper # 08S-SIW-066, Proc. SISO Spring 2008 Simulation Interoperability Workshop, Providence, RI, 14-18 April 2008, np. < at https://www.researchgate.net/publication/275409005_DECOMPOSING_ THE_VVA_PROCESSES_TO_SUPPORT_THEIR_TAILORING >.

2007

[106] IEEE Recommended Practice for Verification, Validation, and Accreditation of a Federation – An Overlay to the High Level Architecture Federation Development and Execution Process, IEEE Std. 1516.4-2007, IEEE, New York, NY, 20 December 2007, (Not sole author, only technical editor). < at http://ieeexplore.ieee.org/xpl/mostRecentIssue.jsp?punumber=4412956 >

2006

[105] Harmon, S.Y. "Proposed Meta-Data for Describing Simulation Representational Capabilities," Paper # 06S-SIW-056, Proc. SISO Spring 2006 Simulation Interoperability Workshop, Huntsville, AL, 2-7 April 2006, np. < at https://www.researchgate.net/publication/275409140_PROPOSED_META-DATA_FOR_DESCRIBING_SIMULATION_REPRESENTATIONAL_CAPAB ILITIES >

[104] Verification, Validation, & Accreditation (VV&A) Recommended Practices Guide (RPG), Modeling & Simulation Coordination Office, Alexandria, VA. < at http://www.msco.mil/VVA_RPG.html >; (authored and edited core documents for the roles of V&V Agent and Accreditation Agent for new simulation developments and legacy simulations; authored special topic sections on requirements, fidelity, validation, human behavior validation, federation VV&A,

simulation credibility, and legacy simulation V&V; edited the DMSO VV&A RPG Glossary).

2005

[103] Harmon, S.Y. & Youngblood, Simone M., "A Proposed Model for Simulation Validation Process Maturity," <u>Journal of Defense Modeling & Simulation</u>, 2 (4), October 2005, pp179-190. < at https://www.researchgate.net/publication/ 228383294_A_proposed_model_for_simulation_validation_process_maturity >
